| | § | |
| (1) ISAIAS SANCHEZ-ANGEL | § | |

ORDER ACCEPTING REPORT AND RECOMMENDATION
OF THE UNITED STATES MAGISTRATE JUDGE

Before the court is the above styled and numbered cause. On June 28, 2023 the United States Probation Office filed a Petition For Warrant or Summons For Offender Under Supervision for Defendant (1) ISAIAS SANCHEZ-ANGEL, which alleged that Sanchez-Angel violated a condition of his supervised release and recommended that Sanchez-Angel 's supervised release be revoked (Clerk's Document No. 35). A warrant issued and Sanchez-Angel was arrested. On Waived on July 21, 2023, Sanchez-Angel appeared before a United States Magistrate Judge, was ordered detained, and a revocation of supervised release hearing was set..

Sanchez-Angel, on November 21, 2023, waived his right to a preliminary hearing and to be present before the United States District Judge at the time of modification of sentence. Following the hearing, the magistrate judge signed his report and recommendation on November 21, 2023, which provides that having carefully considered all of the arguments and evidence presented by the Government and Defendant, based on the original offense and the intervening conduct of Sanchez-Angel, the magistrate judge

recommends that this court revoke Sanchez-Angel supervised release and that Sanchez-Angel be sentenced to imprisonment for 210 days with 125 days credit for time served, with a term of Twelve (12) months of supervised release to follow the term of imprisonment (Clerk's Document No. 45). A special condition should be imposed that the Defendant may not return to the United States without first obtaining appropriate legal permission to do so.

A party may serve and file specific, written objections to the proposed findings and recommendations of a magistrate judge within fourteen days after being served with a copy of the report and recommendation, and thereby secure a *de novo* review by the district court. *See* 28 U.S.C. § 636(b); Fed. R. Civ. P. 72(b). A party's failure to timely file written objections to the proposed findings, conclusions, and recommendation in a report and recommendation bars that party, except upon grounds of plain error, from attacking on appeal the unobjected-to proposed factual findings and legal conclusions accepted by the district court. *Douglass v. United Services Auto Ass'n*, 79 F.3d 1415 (5th Cir. 1996) (*en bane*). The parties in this cause were properly notified of the consequences of a failure to file objections.

On November 21, 2023, following the hearing on the motion to revoke supervised release, all parties signed a Waiver Of Fourteen Day Rule For Filing Objections To Report and Recommendation Of United States Magistrate Judge (Clerk's Document No. 43). The court, having reviewed the entire record and finding no plain error, accepts

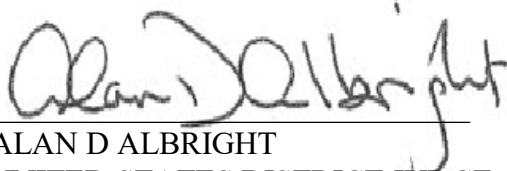

and adopts the report and recommendation filed in this cause.

IT IS THEREFORE ORDERED that the Report and Recommendation of the United States Magistrate Judge filed in this cause (Clerk's Document No. 45) is hereby **ACCEPTED AND ADOPTED** by this court.

IT IS FURTHER ORDERED that Defendant (1) ISAIAS SANCHEZ-ANGEL's term of supervised release is hereby **REVOKED**.

IT IS FURTHER ORDERED that Defendant (1) ISAIAS SANCHEZ-ANGEL be imprisoned for 210 days with 125 days credit for time served with a term of supervised release of Twelve (12) months to follow the term of imprisonment. All prior conditions of supervised release are reimposed. A special condition should be imposed that the Defendant may not return to the United States without first obtaining appropriate legal permission to do so.

Signed this 28th day of November, 2023.

ALAN D ALBRIGHT
UNITED STATES DISTRICT JUDGE
